**RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT**

Honorable Commissioner for Patents  
Customer Service Window  
Randolph Building, Mail Stop AMENDMENT  
401 Dulany Street  
Alexandria, VA 22314

Sir:

This is in response to the Notice of Non-Compliant Amendment that issued on February 17, 2006.

Acknowledgement is also made of the telephone conversation with Examiner Redman, during which it was agreed that, in view of the date on which the amendment was filed, it is, in fact, compliant.

However, the Examiner requested the submission of a listing of claims in order to facilitate examination. Accordingly, such listed is submitted herewith.

Attention is drawn to the following. The amendment filed September 20, 2002, requested the addition of a new claim, which was erroneously given the number "37". In

reviewing the history of this application, it was noted that claims 37 and 38 had been added by an amendment dated August 21, 2001, and those claims had been canceled by an amendment dated February 1, 2002. Accordingly, undersigned has taken the liberty of renumbering that claim as claim 39 in the attached listing.

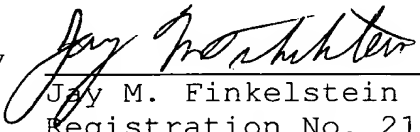

An action on the merits is now requested.

**Concerning one final matter, it is understood that a decision granting our petition to vacate a holding of abandonment has issued, but we have not received that decision. It is asked that a copy thereof be sent to us.**

Respectfully submitted,
